

LOCAL DEPARTMENT.

To the Public!

We are prepared to do all kinds of Job Printing at this office, with dispatch and in as good style as can be done in Western Michigan. All kinds of legal Blanks, printed on short notice and in superior style; also, any quantity of Township Tax Receipts printed and for sale at the News office. Give us a call.

Much original and selected matter is crowded out of this issue of our paper.

We learn from the Grand Rapids Daily Eagle, of recent date, that Ex-Gov. BINGHAM was elected U. S. Senator.

Hon. S. A. DOUGLAS, of Ill., was, on the 5th inst., re-elected U. S. Senator.

The gallant propeller *Michigan* arrived at this port on the 10th inst., with a full cargo. She left for Milwaukee yesterday with fair wind and weather.—Success to her brave Captain and crew.

Governor BINGHAM's Message will be found on the first page of this issue of the News. It is a remarkable instrument. Remarkable because "KANSAS" is not an ingredient of it. Are we then to have no more of that monstrous *humbug*, "Kansas?"

The Grand Haven Lyceum will meet at the school-house, on Monday evening next. Question for discussion—Ought the death penalty to be restored to our statute. Disputants—affirmative Wm. M. FERRY, Jr., H. C. AKLEY; negative, R. W. DUNCAN, Wm. H. PARKS. The ladies and public generally are respectfully invited.

The attention of our readers is called to the new advertisement of Messrs. PERKINS & GOULDSBURY, of Mill Point. With these gentlemen we are not personally acquainted, but by every one they are well spoken of, and therefore, we do not hesitate to commend them to the favorable notice of our readers.

A special term of the Circuit Court for the county of Ottawa is now being held at the Court House, in this village, his Honor Judge LITTLEJOHN, presiding. Of the nature and amount of business on the docket we have not been advised. We notice that several gentlemen of the Grand Rapids bar are in town.

Hon. HENRY PENNOYER is entitled to our thanks for the daily journal of the Senate and House of Representatives. We were not displeased, but we shall certainly call our Senator to an account for the free and unauthorized use he has seen fit to make of our name in the Senate.

The Board of Supervisors adjourned on Monday morning, 10th inst. We are not authorized to publish their transactions. One thing is certain, however, they did not succeed in getting a two-third vote for the removal of the county seat. The Supervisor from Tallmadge, Mr. HARRIS, in connection with a few other sensible men, fought manfully against the well laid plans of our neighbors of Eastmanville.

NUNICA!—Where's that? says Mr. A., the inquisitive traveler. Briefly, it is the first Station East of Mill Point, on the D. & M. Railway, and seven miles distant from that village.

The word is said to signify in the Indian tongue "Broken Crockery," and was the original name given by them to a Creek, near said Station, and subsequently by the Whites to the town through which the Creek passes. The Indians are said to have found at an early period in our history, pieces of broken pottery on the bank of the Creek, hence the name.

If you have time while the iron-horse is being furnished with wood and water, drop in to that large, new, two-story building and shake hands, with our friend, Judge HATHAWAY, and if you smoke, take a cigar, that when the whistle calls you may go on your way rejoicing.

POLITENESS.—Politeness is like an air cushion—there may be nothing in it, but it eases your joints wonderfully.

Brigham Young is reported to be the natural father of 473 children.

To Fathers and Mothers.

You know how important it is for your children that you should keep good health. How frequently do we see feeble parents dressed in mourning on account of the death of their beloved children. What a pity it is, when, by proper care and remedies, all those trials and troubles can be avoided. When health can be restored to the parent and life and happiness to the child. Restore the health of the mother and you obviate the necessity of Paregoric, Godfrey's Cordial and other injurious narcotics for crying children. We entreat you, as we desire to improve the condition of our race, to procure Dr. Morse's Almanac and read how diseases are cured in accordance with nature's laws with innocent roots and plants.

PREGNANCY.
During this critical period Morse's Indian Root Pills will be required, because they cleanse the body from those morbid humors, and thoroughly drive away all pains, and give ease and comfort to the mother. From one to three of these Pills, taken two or three times a week during pregnancy, will cause the mother a safe and easy delivery, and will be sure to give a stout healthy constitution to the child.
Dr. Morse's Indian Root Pills are sold by all dealers in medicines.
